ADSC is a construction trade association dedicated to the deep foundations industry. Our focus is on drilled shaft, anchored earth retention, and micropile technologies. We are represented by specialty subcontractors, civil and geotechnical engineers, and equipment manufacturers and suppliers from around the world.

MISSION
To promote, protect, foster, and advance the drilled shaft, anchored earth retention and micropile industries. ADSC encourages the use of the technologies designed, constructed, supplied, and manufactured by its members to foster safe, quality and ethical practices.

VISION
The Vision of ADSC is to continue as the recognized world leader in the research, development, education, design, and construction of drilled shafts, anchored earth retention, and micropiles; with safety and quality being held as their highest value.

**Foundation Drilling** magazine is the official publication of ADSC – The International Association of Foundation Drilling (“ADSC”) and is published for Anchored Earth Retention, Drilled Shaft, and Micropile constructors. The audience includes owners, project managers, superintendents, foremen, civil and structural engineers, soil engineers, public engineering officials, architects, manufacturers and distributors of industry related equipment. The magazine contains job history and technical features as well as industry related articles, safety information, personnel and management solutions, a calendar of ADSC and industry events, and other related topics. **Foundation Drilling** magazine is also published online in an eMag format.

**TARGET MARKET**

- Target Market includes specialty subcontractors, general contractors, design engineers, government agencies, academia, and general subscribers.

**VALUE**

- Published eight times a year with over 50,000 domestic and international readers. In addition, the publication’s eMag delivery provides a reader base that is immeasurable, making it a truly worldwide publication.
- Hard copies are mailed to ADSC members, individual subscribers, ENR’s Top 500 General Contractors, academia, Department of Transportation state agencies, and Federal Government regional offices including the FHWA and U.S. Army Corp of Engineers.
- Provides FREE opportunities to promote company products and services in high impact departments including Industry Innovations, ADSC in Action, New Product News, Industry News and Not the Hole Story.

All editorial copy is subject to the approval of publisher and must be representative of ADSC’s approved technologies; Anchored earth retention; drilled shafts; and micropiles.

Copy Placement: (Live Area) 1/2” from gutter and a minimum of 1/4” from page trim.

Bleed: Should be a minimum 1/8” to 1/4” on all sides.

SENDING ARTWORK

Send art via ADSC’s Hightail site. Copy and paste the following link into your browser, a prompt will direct you to the loading instructions.

https://dropbox.hightail.com/knephew
The eMag allows advertisers to provide a direct link to their website, increasing traffic and providing a greater exposure to an expansive audience. The eMag version is distributed via email, social media and is available on the ADSC website. This digital version allows readers to bookmark pages and provides keyword search, navigation shortcuts, and can be printed or downloaded.

**E-MAGAZINE SPONSOR**

This option gives your company branded recognition throughout Foundation Drilling e-magazine with the company’s logo placed on the footer of all house articles and feature articles without conflict of interest. Advertiser may also supply a link to a YouTube video for placement. Advertiser is responsible for providing artwork. This option is exclusive and sold per issue (meaning only one company can select this option each issue). Includes:

- One (1) Bookmark Ad – (jpg or png) 300 x 1200 pixels
- One (1) Video – please provide link to published YouTube video from the Embed tab (optional)
- One (1) Logo for footer

**RATE: $1,500.00 PER MAGAZINE ISSUE**

**E-MAGAZINE POP-UP ADS**

This option gives your company the opportunity to brand three (3) pop-up content focused advertisements within the e-magazine. Pop-up ads will be placed in various and rotating positions each issue, and will vary in size. Advertiser is responsible for providing artwork for the pop-up ads. This option is exclusive and sold per issue (meaning only one company can select this option each issue). Includes:

- Two (2) Small Ad Pop-Up (jpg or png, file size under 1MB) 300 x 250 pixels
- One (1) Bottom Banner Pop-Up (jpg or png, file size under 1MB) 728 x 90 pixels

**RATE: $1,500.00 PER MAGAZINE ISSUE**
The 2020 ADSC Membership Directory offers ample opportunity for advertising your business. We offer 4-color ad space in several sizes to suit any budget. Companies listed in the directory are organized by member categories, and there is an alphabetic index, geographic index and key personnel index. We also offer three Product and Services listing categories: Construction Services, Suppliers/Manufacturers, and Consulting Services. Advertising through the Products and Services listing is a cost-effective way to showcase your company.

TARGET MARKET
- Hard copies are mailed to decision makers in industries represented by the ADSC and beyond, including ADSC membership, ENR’s Top 400 General Contractors, Academia, State Department of Transportation agencies, and Federal Government regional offices including the U.S. Army Corp of Engineers.
MEMBERSHIP DIRECTORY

VALUE

- The directory provides company listings alphabetically and by geographic location and lists key personnel and specific products and services.
- The eDirectory allows advertisers to supply a direct link to their website, increasing traffic to that site and providing greater exposure to an expansive audience. This digital version allows readers to bookmark pages and provides keyword search, navigation shortcuts, and can be printed or downloaded.
- Spiral binding and the digest size of this directory means it can easily travel to field sites, placing your company’s ad in the hands of the key personnel who need it most.
- Through the Products and Services listings, the Membership Directory allows your company the opportunity to be directly associated with the specialized products and services you provide.

ADVERTISING TERMS & CONDITIONS

THE FOLLOWING TERMS AND CONDITIONS APPLY TO ALL ADVERTISING INSERTION ORDERS SUBMITTED TO AND ACCEPTED BY ADSC:

1. The insertion order is a contract between ADSC – The International Association of Foundation Drilling (“ADSC”) and Advertiser to reserve advertising space in one or more of the advertising options presented herein this Media Kit. Advertiser includes any company, its employees and advertising agency acting as agent for the company that submits an insertion order to ADSC.

2. An accepted insertion order is effective immediately upon receipt by ADSC; and is non-cancellable after either publication of first ordered ad or thirty (30) days from the date order is submitted to ADSC, whichever occurs first.

3. All advertising is subject to space availability and the approval of ADSC. ADSC expressly reserves the right to refuse any ad.

4. Advertisements for products and services must be consistent with the technologies approved by ADSC and meet the specifications set forth in this Media Kit.

5. Positioning of ads is at the discretion of ADSC except where special preferred position requests are acknowledged and approved by ADSC.

6. New space reservations by Advertiser that are not included in a previous insertion order must be submitted on a new insertion order.

7. Insertion orders must be received before or with the new ad by the ad submission deadline for each issue. ADSC has no obligation to include late arrivals or to modify ads after the specified submission deadlines.

8. It is the Advertiser’s responsibility to submit new ad art for any issue by the appropriate deadline. If Advertiser does not provide new ad art by the appropriate deadline, ADSC will pick-up previous ad artwork for publication and has no obligation to make a change for published issue.

9. Advertiser assumes liability for all printed ad content (including text, pictures, representations, and illustrations) and holds harmless ADSC and its agents and employees from any claims arising therefrom made against the publisher.

10. ADSC is not bound by any special condition, specification, or requirement of Advertiser on an insertion order.

11. The insertion order is a commitment to advertise in the specified ADSC publication. Cancellations are subject to full payment for the ad space reserved by Advertiser. Advertiser has full financial responsibility for the total cost of order at the rates quoted herein.

12. Advertising rates herein are quoted at net prices in USD and do not include any commission for advertising agency. Invoices are due and payable upon receipt. A $10.00 per day late payment fee will be assessed on each invoice not paid in full within sixty (60) days of invoice date.

13. Advertising may be suspended or cancelled at any time by ADSC with at least three (3) business days prior notice for either nonpayment of invoice more than sixty (60) days past due; or a non-renewal of ADSC membership within ninety (90) days of membership expiration date. Any remaining balance of total cost of insertion order after suspension or cancellation shall become due and payable immediately to ADSC.

14. If ad invoices are to be sent directly to advertising agency for payment, both the advertised company and its advertising agency are obligated for payments due under these terms and conditions irrespective of any separate agreements that may exist between advertised company and its advertising agency.
