Networking & Social Events

WELCOME RECEPTION

Sunday, July 19 • 5:30 PM
Courtyard Lanai

The aloha spirit starts here in true island style at the Welcome Reception on the Courtyard Lanai. Grab a drink or a signature Hawaiian cocktail at the open bar, thanks to our Sponsor TEI Rock Drills! Munch on island-inspired hors d'oeuvres while reconnecting with industry friends and meeting new faces against the stunning backdrop of the Kohala Coast. Get ready for an unforgettable time with your ADSC 'ohana (family).

GOLF

Monday, July 21 • 8:00 AM
Mauna Lani Golf Course

Grab breakfast sponsored by Minova before you tee off in paradise at the Mauna Lani Golf Course. Thank you to ROC Equipment for making this networking opportunity possible!

PETROGLYPH HIKE

Monday, July 21 • 10:00 AM

ADSC's hike series will chart new frontiers with this installment in our very popular, family-friendly activity. A Hui Holokai Beach Ambassador will lead us through the largest petroglyph field on Hawai'i Island. Reservations required.

FRIENDS & FAMILY SIP & DIP

Tuesday, July 22 • 1:30 PM - 3:30 PM
Croquet Lawn

The Friends and Family Association is going to take advantage of the beautiful location and gorgeous hotel and spend an afternoon hanging out by the pool. There will be cocktails, snacks and games for the kids. Join your friends and make new ones during this casual event.

FINAL NIGHT DINNER AND LUAU

Tuesday, July 22 • 6:30 PM
Coconut Grove Beach

Don't miss the Final Night Dinner & Luau sponsored by ECA! As the sun dips below the horizon, sip on signature Mai Tais thanks to WORD Rock Drills and enjoy the open bars stocked with island favorites. No luau is complete without live entertainment, so prepare to be mesmerized by graceful hula dancers and a fiery performance!

Free Childcare was graciously provided by GRL Engineers, Inc. Check in at registration!

Educational Sessions

PRODUCT PRESENTATIONS LUNCH

Monday, July 21 • 1:30 PM
Salon 1

Join us for a delicious lunch while learning from our presenters - CZM and Minova - who will showcase the latest advancements in foundation drilling technology, equipment, and materials.

EDUCATION SESSION: SELLING SOLUTIONS

Monday, July 21 • 2:30 PM
Plaza Ballroom

Winning work in the foundation industry takes more than solid engineering and quality execution. Often, decisions about which foundation type to use are driven less by objective analysis and more by persuasive voices promoting their preferred technologies. In other words, strategic marketing plays a major role.

Dr. Kord Wissman, P.E., BC.GE, PhD, understands this well. With a doctorate in geotechnical engineering, he took over as Chief Engineer at GeoPier® in the late 1990s and eventually became President. Under his leadership, Rammed Aggregate Piers® became a widely recognized and adopted solution across the construction industry.

In this session, ADSC members will interview Kord about how he drove that growth and shifted mindsets among designers and owners. As Kord says, “We always talk about comparing apples and oranges in geotechnical methods. But owners don’t care about apples and oranges – they just want lunch.”

WIC: PART 2 EMOTIONAL INTELLIGENCE LEADERSHIP WORKSHOP

Tuesday, July 22 • 10:00 AM
Plaza Ballroom

After a powerful Part 1 of our workshop at our Annual Meeting in San Diego, Kyle Elmendorf, from Elm & North, is back for Part 2 of our Emotional Intelligence Leadership Workshop series. Part 2 will focus on elevating Social Awareness and Relationship Management: two key components for Emotionally Intelligent Leaders. This workshop will be packed with practical takeaways that you will immediately be able to implement.

OWNERS ROUNDTABLE

Tuesday, July 22 • 1:30 PM
Salon 2

The Owners’ Roundtable helps to drive the direction of ADSC by identifying what is needed most by its members at any one point in time. All contractor representatives are welcome (not just owners), as are Technical Affiliate and Associate members.
