

2026 Civil Engineering Faculty Workshop

APPLICATION FORM

June 7-12, 2026 • Boston, Massachusetts

ADSC: The International Association of Foundation Drilling will bring together the leading foundation engineering faculty members in North America for this intensive five-day workshop. The workshop will cover the state-of-the-art in the design, construction, and testing of drilled shafts, anchored earth retention systems and micropiles. This industry education event has been formulated to provide attendees with the information needed to instruct undergraduate and graduate courses in the foundation and earth retention technologies covered. Please complete the information below to be considered to attend the workshop. Expenses will be paid by ADSC-IAF, **excluding travel to and from Boston, Massachusetts**. Return this application and a detailed resume (include in your resume specific experience with drilled shafts, anchored earth retention systems, and micropile design, construction and teaching). Limited to 50 participants.

Last Name: _____ First Name: _____

Academic Institution and Department: _____

Mailing Address: _____

City: _____ State/Province: _____ Country: _____ Zip/Postal Code: _____

Home Phone: _____ Business Phone: _____

Fax: _____ Email Address: _____

Do you presently teach a course that covers topics in Deep Foundations, Slope Stability or Retaining Wall design/analysis? Please list which courses.

Are these Course(s) for: Undergraduate Graduate

What is the total number student enrollment in your department?

Undergraduate in: Civil Engineering # _____ Geotechnical Engineering # _____

Graduate in: Civil Engineering # _____ Geotechnical Engineering # _____

Approximately how many lecture hours per year are spent on construction, design and/or analysis of:
Drilled Shaft Foundations _____ Hrs. Anchored Earth Retention Systems _____ Hrs. Micropiles _____ Hrs.

How many faculty members in your department are responsible for teaching or conducting research in geotechnical engineering? _____

Applications and Resumes must be received by December 1, 2025

Return your completed application form and your resume to Tina Greenwell (tgreenwell@adsc-iafd.com)

ADSC • 3204 Long Prairie Road • Suite C • Flower Mound, TX 75022

Applicants will be notified of acceptance by January 15, 2026
